SENATOR DWORAK: Mr. President, I move that LB 527 be advanced to E & R for engrossment.

PRESIDENT: Discussion of the motion? The question is the advancement of 527. All those in favor say aye. Contrary say nay. The bill is advanced.

SENATOR DWORAK: Mr. President, I move the adoption of the Enrollment and Review amendments to LB 466.

PRESIDENT: Discussion of the motion? The question is the adoption of the amendments to 466. All those in favor say aye. Contrary say nay. The amendments are adopted.

CLERK: Mr. President, there's a request to bracket or pass over 466, it says until tomorrow, which I'm not sure what day that is. It's signed by Senator Goodrich.

PRESIDENT: You want to lay it over until Monday, Senator Goodrich?

SENATOR GOODRICH: Are the E & R amendments adopted yet?

PRESIDENT: Yes they are.

SENATOR GOODRICH: Then I'd like to hold this one until . . . we've got an amendment pending that is now in the Fiscal Staffs office checking for any fiscal impact, or any . . . making sure it's OK. I'd like to hold this one over, just pass it over in other words, until Tuesday when we come back.

PRESIDENT: Objections to the request for unanimous consent? Seeing none, it's so ordered.

Senator Goodrich . . . I mean Dworak.

SENATOR DWORAK: Mr. President, I move the adoption of the Enrollment and Review amendments to LB 198.

PRESIDENT: Discussion of the motion? The question is the adoption of amendments to 198. All those in favor say aye. Contrary say nay. The amendments are adopted.

CLERK: Mr. President, there's a series of amendments to 198. The first one is offered by Senator Cavanaugh, found on page 1216 of the Journal.

PRESIDENT: Senator Cavanaugh.

SENATOR CAVANAUGH: OK, there are two sets of amendments there from me. Right?

CLERK: Yes.

SENATOR CAVANAUGH: OK, both of those sets of amendments are clean-up amendments for changing from the formula method to the straight cash limit . . . or dollar amount limit, which was Senator Kelly's amendment. They are striking those appropriate sections that we didn't strike the other day when we adopted Senator Kelly's \$110 maximum. So they're implementation amendments to take out all those other sections and words that refer to the formula, and leave it on the \$110 maximum system of Senator Kelly's amendment. I move the adoption of the amendments.
